## Loosen Up with Aquamedia Painting in the Abacos

**JANUARY 19-26, 2013 \$1,825/PERSON PLUS AIR**

### LOOSEN UP WITH AQUAMEDIA PAINTING IN THE ABACOS

This workshop will emphasize loose, expressive techniques, not necessarily photo realism techniques; of course, your style is up to you and Bob will help you with it. It is a worry-free, day-by-day activities account and exotic history of where we will be painting. Bob is planning to focus on painting a series, based on specific color themes. We will not try to capture everything we see, knowing we'll be overwhelmed by the awesomeness of this trip! Your painting goals are also important.

Hope Town Harbour Lodge will provide the island accommodations and meals. In addition to painting on the beach, an indoor painting location in the lodge's lovely lounge and/or poolside may be an option. One day we will travel by water taxi to another island to paint and enjoy island cuisine mid day. There will be plenty of time to paint on your own and explore the English heritage of the cay or nearby cays with friends and family. Bob will paint in acrylic and you may choose your painting medium. Class will be held Sun, Mon, Tues, Thurs, and Fri. Bob, and his wife Kate, will offer a beach-side Friday class: "Marketing for the Artist Who Knows Everything." Elbow Cay, and surrounding areas, are filled with activities for those not participating in the art classes. We can help with ideas, suggestions and arrangements.
