Required materials:

- Your favorite watercolor and other water media, especially fast drying materials like watercolors, gouache, or acrylics and inks. At a minimum bring one set of tube of 12 watercolor paints (a basic set plus violet will work)
- Your favorite brushes
- Your favorite water soluble and water-proof drawing materials, and some you are not as comfortable (a selection that may include but is not limited to water markers, watercolor pencils, colored pencils or oil pastels. I love Derwent Intensity Pencils)
- 5 -6 sheets of approx. 22x30 watercolor paper or surfaces you like working on (I prefer D'Arches paper)
- Two water containers (quart containers)
- A Palette: white plate, enamel butcher's tray, or watercolor palette
- Masking tape
- Liquid Masking Fluid, your favorite brand (Winsor Newton, Frisket, Misket, or Pebeo gum)
- A rubber cement pick-up
- Scissors and or xacto knife
- Pencils and kneaded eraser

Optional Materials

- A small plastic spray bottle with adjustable nozzle
- Paper Towels
- 1 or 2 small stretched canvas or canvas board (covered with absorbent ground or watercolor friendly gesso) of any size if you are interested in exploring watercolor on canvas.
- Any additional supplies you enjoy working with.
